United States of America,

MOTION FOR REDUCTION
IN SENTENCE 3582(2)

COMES NOW, the Defendant acting Pro Se,
moves this Honorable Court to reduce his sentence
based on Amendment 814. At the time the sentence
was imposed defendant was serving a five year Probation
Sentence.

Defendant did not receive the (2) point
Reduction at sentencing. In the instant case, the
United Sentencing Commission hadn't implemented
the New Guidelines. In 2024 this new sentencing
scheme was enacted into law and made retroactive.

Defendants Criminal History Points would drastically change his Sentencing Guideline Range and would certainly affect his Criminal History Category.

Defendant avers that at sentencing he received 324 months. If sentenced today under today's sentencing scheme the sentence would be reduced to 240 months or less.

Defendant hopes and pray that this Honorable Court alter, amend or reduce the sentence accordingly.

On this 17th day of March 2025.

Respectfully submitted,

Raylon Jackson
